

Join us / **Senior Civil Designer**

McVeigh Consultants is an integrated engineering and architectural design practice.

McVeigh has been providing integrated engineering, architectural and project management services for urban development, building and infrastructure projects for over 20 years. The firm is well established, stable and has a solid future pipeline of work.

We are typically appointed as lead consultants or project managers on our client's projects. Information and design decisions flow smoothly, no frustrating delays or re-work due to outside influences, just work with your fellow team members to resolve all design issues.

We use the latest design and modelling software, including 12D, XP Storm, PC Drain, AutoCAD and REVIT to produce our documents.

Our core values are simple, our people enjoy their work, work as teams on great projects for good clients and add value to their own lives, our client's projects and our business.

We currently have an opportunity for a Senior Civil Designer to join our team. You will report to our Land Development Team Leader. Initially, you will be responsible for mentoring two others with a view to taking on management responsibilities in time. You will be responsible for leading and completing civil engineering designs and drawings for a wide range of development types including land development, irrigation, municipal infrastructure, development site infrastructure and mining projects. You will help manage standards and design resources. You will train and mentor bright young members of our team. You will be a key member of a growing team.

Ideally you will have at least 5-10 years experience, although exceptional candidates with lesser experience are encouraged to apply. You will have relevant industry qualifications. Experience with BCC regulations is a must.

When you join our team you will enjoy working in a bright modern office with a great energetic team. You will enjoy a close working relationship with your team leader. You will receive significant training in areas of interest to you and that will benefit the firm. You will be paid well for your contribution to our activities.

We are very keen to fill this role. If this sounds like you, please contact us immediately!

To find out more, please submit your CV and a covering letter by email to recruit@mcveigh.com.au
